

CERTIFICATE OF VERIFICATION

SCS Global Services does hereby attest that it has conducted an external, independent critical review of the Product Carbon Footprint (PCF) report entitled:

Title of the report
REPORT DATE: 08/04/2025

Critical Review Statement: Verified Conformance

This Statement documents that the PCF conforms with the following standards:

The plausibility, quality, and accuracy of the PCF-based data and supporting information are confirmed. The review included an analysis of individual datasets used in the study, but did not include an assessment of the Life Cycle Inventory (LCI) model.

Completed by:

Lucas Wathen

SCS LCA Practitioner and Approved Reviewer

The reviewer is fully independent with no involvement in the execution of the PCF review, and has sufficient knowledge and experience with the declared products, standards, and geographical area of the LCA to carry out this verification.
