

SCS Global Services does hereby certify that an independent assessment has been conducted on behalf of:

Nestlé Waters NA, South Houston, TX Facility

9351 E Point Drive, Houston, TX, 77054, United States

SCS Global Services herewith certifies that the aforementioned site or group has been independently certified to the AWS standard and is both managing its water resources and contributing to efforts within the catchment. The site or group has been found to be in full compliance with the following standard:

Alliance for Water Stewardship International Water Stewardship Standard (v1-0; 2014)

Industry Sector: Bottled Water

Catchment: Brays Bayou Watershed

Period of Validity: 3 years

Valid from: 7 November 2019 to 6 November 2022

Scope: Single Site

Certification Level: Core

AWS Reference Number: AWS-010-INT-SCS-00-01-0004-0097

For more information regarding the scope of this certificate and the activities of the certificate holder, please refer to the publicly accessible assessment report located at: www.a4ws.org. This certificate remains property of SCS Global Services and can be withdrawn in case of terminations as mentioned in the contract or in case of changes or deviations of the above mentioned data. The licensee is obligated to inform SCS Global Services immediately of any changes in the above-mentioned data. Only an original and signed certificate is valid.
