

Public Notification of RSPO Re-Certification 1 Audit of Independent Smallholders – MS B

Ngoyaï Gbaayegie Farmer Based Organization of Sierra Leone, Sierra Leone RSPO Membership: 1-0480-24-000-00

Dear Stakeholders:

Ngoyaï Gbaayegie Farmer Based Organization of Sierra Leone has commissioned SCS Global Services to conduct an RSPO Re-Certification 1– MS B of ISH Group Assessment located near Old Mill Road, Daru, Eastern Province, Sierra Leone.

SCS Global Services plans to conduct the (MS B) Re-Certification 1 assessment of the ISH Group from **18th to 22nd May 2026**. The assessment will be conducted against the Roundtable on Sustainable Palm Oil Independent Smallholder Standard 2024). For MSB Audits, the Supply Chain Model is IP.

The assessment will cover legal, environment, economical, workers' health and safety, and social aspects as required by the RSPO Independent Smallholder Standard. Below is general information related to the ISH Group. Ngoyaï Gbaayegie Farmer Based Organization has been established to lead the independent Smallholders' farming project in the Republic of Sierra Leone with the aim to improve the farmers' livelihoods through the production of sustainable palm oil. The group incorporated to operate as a farmer group on July 2022 by the Kailahun District Council and certified to the RSPO Independent Smallholder standard on 13 July 2021 under its Group Managers Membership (Goldtree (S.L.) Ltd). However, on 09 May, 2024, the group attain its own RSPO membership. The group is made of 7,424 farmers (4725 within the RSPO certification scope) from 330 villages and 16 chiefdoms. There are 6 representatives serving as the executives and 71 representatives serving as FBO reps and decision makers. There are also 960 farmers field school executives with 6 executives per center. There are 160 centers with each center having 50 farmers grouped in 9 different locations.

The group is organized into a unified force and has its by-laws which constitute the guidelines to undertake the group activities and to manage the farmers in the various communities. Therefore, Ngoyaïgbaayegie group has committed to fulfill the following Sustainability objectives:

1. Promote the production of sustainable palm oil through the implementation of organic and RSPO standards
2. Create awareness on Good Agricultural Practices amongst Smallholders
3. Increase sensitization on Organic and RSPO practices amongst Smallholders
4. Build Smallholders capacity on records keeping and financial literacy
5. Increase farmers' yield
6. Reduce Poverty and improve smallholders' livelihoods

Goldtree (S.L.) Ltd. a company dealing with oil palm products which include fresh fruit bunches (FFB) and processed into crude palm oil (CPO) with the kernels processed into crude palm kernel oil (PKO) has been the major partner of Ngoyaïgbaayegie and acting as the group manager.

Ngoyaïgbaayegie group has understood the importance of guiding all its activities towards a sustainable approach, respecting environmental and social values. Therefore, the group has established marketing goals to complete to achieve the marketing strategy. These goals are stated as:

- Expand the sustainability market through sensitization of farmers on organic and RSPO practices
- Develop and/or improve the market for organic and/or RSPO products
- Increase farmers' yield.

SCS Global Services (SCS) is a global leader in third-party environmental and sustainability certification, auditing, testing services, and standards. Established as an independent third-party certification firm in 1984, our goal is to recognize the highest levels of performance in environmental protection and social responsibility in the private and public sectors, and to stimulate continuous improvement in sustainable development. SCS became one of the first recognized California Benefit Corporations. SCS holds itself to the highest standards in the industry and has been accredited by six different accreditation bodies covering over 15 different certification systems, including food and agriculture, forestry, greenhouse gas, indoor air quality, sustainable furniture and biofuels. SCS was approved as a RSPO certification body for supply chain certification (worldwide) on 13 January 2017. Most recently approved for Principles & Criteria scope (worldwide) 13 November 2018.S
