To Whom It May Concern:

REFORESTADORA DE PALMAS DEL PETEN, S.A of Guatemala has commissioned SCS Global Services to conduct an RSPO Re-Certification 1 Assessment of its two palm oil mills and supply bases located near Kilómetro 355 Carreterade Cobán hacia Sayaxché, Aldea la Torre. The assessment will be conducted of 2 Palm Oil Mill and 9 Oil Palm Plantations and 1 Outgrower.

SCS Global Services plans to conduct the Re-Certification 1 of the REFORESTADORA DE PALMAS DEL PETEN, S.A mill from 30/11/2026 to 04/12/2026. The assessment will be conducted against the Roundtable on Sustainable Palm Oil requirements, including the Principles & Criteria (RSPO P&C 2024 for Sustainable Cultivation of Oil Palms & Production of Sustainable Palm Oil and Oil Palm Products))

Reforestadora de Palmas de El Petén S.A. is a subsidiary of Seaholme Corp belonging to GRUPO HAME, a conglomerate of Guatemalan Agro-Industrial Companies, and a palm oil producer with presence in the Central American Region.

The RSPO PC certificate is currently assigned to Reforestadora de Palmas del Peten S.A. and its supply base. REPSA was created in 1999 and since its inception the operation has been guided by principles of economic, social and environmental sustainability. Oil palm cultivation has been in its first generation for about 25 years, which leads to a long-term vision on priority issues such as environmental management and community development.

The focus of its efforts is to be an innovative and efficient company in order to obtain a product made with high international standards of quality and sustainability.

The oil mills are in the municipality of Sayaxché, in the department of Petén, Guatemala, where it generates direct employment opportunities for more than 4,500 people (monthly average during the 12 months of the year). The two mills have a supply base made up of their own plantations corresponding to 15,825.59 ha and 4,237.45 ha of aoutgrowers.

Each mil has the processing capacity of 80 MT/hour, implementing IP Supply chain module. The company has a high percentage of Queqchi indigenous workers. Some compliances about the environmental issues (ecological damage that occurred in the La Pasion River in 2015) and labor and human rights have been attended in the past and present by the company.

REPSA works to strengthen the capacities of different actors such as community leaders, teachers and students, young people, leaders, public servants and collaborators. This training seeks to RSPO V-1 Oct 2024 6 promote governance and development of the municipality through responsible citizenship The assessment will cover legal, environment, economical, workers' health and safety, and social aspects as required by the RSPO Principles & Criteria. Below is general information related to the certification unit.
