Conditional Issuance:

This certificate is issued on the condition that Major NC related to Indicator 3.8.4 (mill registration and reporting requirements on the RSPO IT platform) remained unresolved due to the pending new membership application for UOC formerly SIPEFCI. Hence conditional certification approval is granted for UOC to temporarily continue the certification under certificate number SCS-RSPOPC-000215 (carrying the SIPEF-CI name), subject to the following conditions:

- This conditional approval is valid from 19/02/2025 (the date the RSPO issued and signed the conditional approval letter), until four (4) months after the new membership of UOC is approved.
- During the transition period of the license under the new membership, UOC will register all transactions related to RSPO-certified materials on *prisma*, RSPO's new IT platform, using the SIPEF-CI accounts for all trading activities related to certificate SCS-RSPOPC-000215 for UOC.
- UOC must complete the remaining steps of the new RSPO membership application process, specifically the LUCA review process.
- Depending on the successful completion of the LUCA process, a new RSPO membership number shall be issued to UOC and the transition from SIPEF-CI to UOC will be formally documented in RSPO's records.
- After obtaining a new RSPO Membership number, UOC shall contact the Certification Body and the *prisma* Helpdesk about the new membership status and create a *prisma* account. UOC will be given a transition period of four (4) months from the date the new membership is approved to successfully conclude an Initial Certification, including the closure of potential NCs, following all the requirements in the RSPO Certification System document before the membership of SIPEF-CI is terminated permanently. The Certification Body shall terminate certificate SCS-RSPOPC-000215 under SIPEF-CI after the transition period of four (4) months has ended (refer to the points above).

UOC shall commit to ensuring full compliance with all RSPO certification requirements and address any outstanding or future issues as directed by the Certification Body and the RSPO

Secretariat throughout the validity of this conditional approval, including any allegations or complaints that may be raised against UOC and/or SIPEF-CI.
