

Chain of Custody Certification for Wood and Paper Products

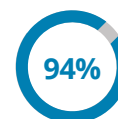

Assure customers that your products meet environmental, ethical, and economic sourcing standards with Chain of Custody (CoC) certification under the Forest Stewardship Council® (FSC®), Sustainable Forestry Initiative® (SFI®), and Programme for the Endorsement of Forest Certification (PEFC).

The Market Demands Traceability

- Guarantee your customers responsibly sourced products
- Qualify for green building standard credits
- Expand your market access
- Enhance your brand image
- Demonstrate support for responsible forestry
- Strengthen your credibility with combined certifications such as FSC, SFI, and PEFC, which can be provided individually or bundled together into one audit
