

SEDEX MEMBERS ETHICAL TRADE AUDITS

What is SMETA?

Sedex Members Ethical Trade Audit (SMETA) is a globally recognized social compliance audit. SMETA social audits are conducted to the Ethical Trading Initiative (ETI) Base Code of Conduct, with focus on meeting International Labour Organization (ILO) conventions and local labor laws.

SMETA Social Audits with SCS

SMETA social audits are widely recognized by brands, retailers, and customers globally. They are easily shared with stakeholders on the Sedex platform.

As a Sedex Audit Affiliate Company (AAC), SCS brings:

- 36+ years of expertise in 3rd party assessments and leadership in social compliance Food & Agriculture
- Expert support to help you navigate new customer requirements
- Industry leadership in customer service, support, and quick turnaround time
- Support to create audit efficiency and avoid duplication by easily sharing audit results between multiple customers through the Sedex online database
- Ability to bundle SMETA audits with your existing SCS services for less cost and disruption
- Demonstrated industry leadership to provide third-party recognized commitment to social responsibility in your supply chain
- Capability to help you minimize risks through increased supply chain transparency while improving supplier relationships

CHOOSE BETWEEN TWO PILLAR OR FOUR PILLAR AUDITS

2 PILLAR AUDIT
